Safety Instructions:

- Caution: Sharp edges on the drill bits - risk of injury if handled incorrectly. Please handle with care.
- Wear safety equipment such as safety goggles and hearing protection to protect your eyes and hearing. Always use personal protective equipment.
- Keep away from children - risk of suffocation and injury from small parts.
- Ensure that the drill bits are correctly inserted in the appliance to prevent injuries and improper use.
- Do not use the drill bits at excessive speed or pressure to avoid breakage.
- Keep fingers and hands away from the drilling point - risk of injury due to slipping.
- Use only for the intended purpose - improper use can be dangerous.
- Before use, ensure that the tool is designed for the correct size of shank Ø.
- Keep the work area clean and tidy to avoid tripping hazards.
- Operation only with suitable drill clamps to secure the workpiece.
- Secure long or large workpieces during use.
- Avoid wearing loose clothing or jewellery that could get caught in the machine.
