Safety Instructions:

- Caution: Sharp edges. Wear protective gloves to avoid injury.
- Use only for the intended purpose. Improper use can cause injury.
- Avoid direct contact with water to prevent short circuits or corrosion.
- Keep the product out of the reach of children; especially not suitable for children under 12 years of age (choking hazard due to small parts under 3 years of age).
- Wear suitable personal protective equipment such as safety goggles and gloves to protect yourself from chips and injuries.
- Ensure that the drill is properly clamped and secure the drill to prevent it from slipping unexpectedly.
- Avoid using damaged or worn tools, check drill bits for visible damage before each use.
- Observe the instructions and safety information in the packaging to ensure safe use.
- Only use drills with suitable machines and only by persons who are familiar with their handling.
- When using in conjunction with electrical tools, observe electrical safety measures.
- Only work in a safe environment and read the instructions for use carefully.
- Before operation, ensure that the product is properly assembled and ready for use.
- Avoid contact with moving parts during operation to prevent injury.
