Article Numbers: 725040, 725039, 725038, 725037, 725036

Safety Instructions:

- Only use while rotating and at low speed to prevent overheating and damage to the tool.
- Cool sufficiently during use to prevent overheating and damage to the drill bit.
- Wear suitable protective equipment, especially safety goggles, to prevent eye injuries from splinters.
- Read the instructions and safety information carefully before use.
- Keep the product out of the reach of children and unauthorised persons. Suitable for use by adults.
- Use with care and ensure that no other persons are in the danger zone.
- Before use, pay attention to the risk of slipping and the stability of the material.
- Suitable for use in cordless drills.
