Please note the technical data of the products!

Article Number: 725042

Safety Instructions:

- Only use when rotating at low speed to avoid overheating and material damage
- Sufficient cooling to extend the service life of the drill bit
- Not suitable for applications that go beyond the specified materials (e.g. wood, metal)
- Recommend the use of personal protective equipment such as safety goggles to prevent eye injuries
- Pay attention to abrasion and wear of the drill bit and replace in good time if worn
