Safety Instructions:

- Before use, ensure that the drill/drilling machine is securely clamped in the tool and operating environment.
- Wear safety goggles and suitable protective gloves to avoid injury from metal chips and sharp edges.
- Do not press on the drill bit to avoid overheating and damage.
- Keep the product away from children to minimise the risk of suffocation and injury. Keep out of reach of children, not suitable for children under 12 years of age.
- Only use for the intended purpose and use suitable tools.
- Do not use the product if there are signs of damage or wear.
- The product is not suitable for use in humid environments in order to minimise electrical safety risks.
- Ensure that no hands or hair get into the work area to avoid injuries.
- Observe the safety information and instructions for use on the packaging and the manufacturer's instructions.
