Article Numbers: 725546, 725544, 725541, 725539, 725536

Safety Instructions:

- The case should be kept out of the reach of small children to avoid the risk of suffocation from removable parts. Small parts can be swallowed. Not suitable for children under 3 years of age.
- Avoid contact of the product with sharp edges or hard surfaces and sharp objects to prevent injury and damage.
- Please note that the integrated locking mechanism must not be blocked during use and ensure that the case is properly locked to avoid safety risks.
- Ensure that the case is secure and stable, especially when it is used upright. Regularly check the stability of the integrated support feet to prevent it from tipping over.
- An adult should supervise when children are using the case.
- Do not overload to avoid material damage.
- Protect the case from extreme temperatures, moisture and contact with water, as it is not waterproof.
- Make sure that you carry the case in such a way that it cannot be opened unintentionally and that the lid is properly closed during transport to prevent the contents from falling out.
- The product is made of unbreakable material, but should not be dropped or handled improperly.
- Assembly instructions and safety information can be found on the packaging.
