Safety Instructions:

- The product should be kept out of the reach of children. Not suitable for children under 3 years of age as it may contain small parts.
- Drawers are break-proof, but care should be taken to use suitable protective measures. They are not suitable for heavy objects; overloading can lead to functional restrictions.
- The product may become unstable if used improperly or overloaded.
- The instructions for wall mounting must be followed exactly to prevent the product from falling. There is a risk of the product falling if it is not installed correctly.
- Make sure that the connectors are securely fastened to prevent the drawers from slipping.
- Sharp edges or rough surfaces can pose a risk of injury.
