Article Numbers: 726007, 726005

Safety Instructions:

- Caution: There is a risk of electric shock if handled incorrectly. Avoid contact with water to prevent electric shocks.
- Ensure that the product does not overheat to avoid the risk of fire.
- Small parts may present a choking hazard, not suitable for children under 3 years of age. Keep the light out of the reach of children.
- Do not use the battery light during the charging process.
- Take care not to use the light in the vicinity of flammable materials.
- The acoustic battery work light is a product for professional use; pay attention to the environment in which you are working.
- Take particular care not to overcharge the batteries. Only use the recommended charger.
