Safety Instructions:

- Check that the RCD is functioning correctly before use.
- Only use the product in accordance with the stated specifications, in particular only with compatible sockets.
- Keep the product away from water and other liquids if it is used outdoors.
- Secure the product to a wall if it is used as a wall distributor to prevent it from falling over.
- Make sure that the carrying handle is securely attached to prevent accidents during transport.
- Follow all safety instructions for handling electrical appliances.
