Please note the technical data of the products!

Article Numbers: 701830, 701829

Safety Instructions:

- Can cause overheating if handled incorrectly. Do not attempt to charge non-rechargeable batteries as there is a risk of overheating and explosion.
- Do not immerse in water or bring into contact with water as this may damage the battery and cause it to leak or explode.
- Protect from direct sunlight and heat sources to avoid overheating.
- Keep batteries out of the reach of children to avoid choking hazard due to small parts. Keep out of reach of children under the age of three.
- Ensure disposal of batteries in accordance with local regulations for hazardous waste. Batteries are hazardous to the environment, therefore ensure proper disposal.
- To prevent explosions, do not throw the battery into a fire.
