Article Numbers: 147049, 147048, 147047, 147046, 147045, 147044

Safety Instructions:

- Risk of suffocation due to improper use and pulling small parts. Take particular care with the height-adjustable function, floor rocker and carrying channel.
- Risk of slipping due to improper use of the swivelling seat surface if anti-slip properties are worn or the conditions of use are not observed.
- Risk of injury due to incorrect height adjustment of the seat/standing aid. Follow the safety instructions when adjusting the height.
- Safety information must be provided in understandable language. Include instructions to explain the dangers of use.
- Product could be considered a toy by children. Warning that it should not be used as a toy.
- Not suitable for children under 12 years of age. Use only under adult supervision is recommended.
Warning: Not suitable for children under 14 years of age.
- Provide proof of safety for the GS mark and comply with safety guidelines. Safety inspection and certification required.
- Risk of injury due to careless use or falling. Note insufficient stability.
- Inadequate safety information must be improved.
