Safety Instructions:

- Choking hazard due to improper use of small parts.
- Increased risk of injury due to improper height adjustment or unstable mounting of the touch monitor.
- Risk of slipping due to use on uneven or inadequately secured surfaces.
- Risk of electric shock due to improper handling of electrical devices or cables.
- Users should ensure that there are no people or objects in the screen's travel range while it is being adjusted.
- Avoid tangled cables to minimise the risk of tripping.
