## Safety Instructions:

- Attention: The upholstery cover is not resistant to disinfectants, clean it carefully.
- The non-padded surfaces are resistant to disinfectants. Compatibility should be tested on an inconspicuous area.
- Do not stack more than 10 chairs to minimise the risk of tipping over.
- The product should not be used as a toy by children to avoid dangers such as choking due to loose parts.
- Ensure that the chair is stable to prevent it from tipping over.
- The weight of the chair is up to 6.1 kg; take this into account when stacking/transporting.
- Risk of slipping on smooth surfaces.
- Take breaks when using the seat shell with ergonomic support for longer periods of time.
