Safety Instructions:

- Do not place near electronic devices to avoid magnetic interference. Please do not use the magnet over heat-sensitive or electronic devices.
- Choking hazard due to small parts; keep away from children.
- Caution: May cause injury due to the strong adhesive force if the magnet is pulled off in an uncontrolled manner. Avoid contact with metallic surfaces with a high magnetic attraction to prevent injuries.
- Improper use may result in injury due to falling if the adhesive force is overloaded. Safety note: Only use for the intended purpose to avoid injury from improper use.
- Take protective measures to avoid contact with direct heat or aggressive chemicals.
