Safety Instructions:

- Ensure that the product does not present any health and safety hazards during normal use.
- The product should have a stable construction and be safe to use in order to prevent injuries.
- When using height adjusters, pay attention to safety in order to avoid tipping over or risk of injury.
- Warning: The flipchart should not be used near water fountains or other wet conditions.
- Please note the recommendations for the use of wheelchair-accessible height fixings.
- Improper handling may result in injury due to uncontrolled folding.
