Please note the technical data of the products!

Article Numbers: 168325, 168324, 168323, 168322

Safety Instructions:

- Caution: Magnet may contain small parts that can be swallowed by children (choking hazard). Not suitable for children under 3 years of age. Choking hazard due to small parts, especially if used improperly by children.
- Do not use in the vicinity of electronic devices or magnetic data storage media, as magnetic fields may interfere with or damage them.
- Magnet contains strong adhesive force. Please use with care to avoid injury from jamming or falling objects. Ensure that the maximum adhesive force is not exceeded.
- The adhesive force may decrease as the material ages. Check regularly and avoid contact with surfaces that impair adhesion.
- Magnet could be dangerous in the vicinity of medical implants or electrical devices. Use should therefore be monitored.
- The product contains steel parts with sharp edges. Handle with care.
- Keep magnets away from metal objects to avoid injury or damage.
- Certain materials and colours can trigger allergies. Check compatibility before using the product.
