Article Numbers: 500075, 500074, 500073, 500072, 500071, 500070, 500069

Safety Instructions:

- Avoid inhalation of ink contents to minimise health risks.
- In case of contact with skin, wash thoroughly with soap and water. If skin reactions occur, consult a doctor immediately.
- Do not get ink in eyes. In case of contact with eyes, rinse immediately with water and seek medical attention if necessary.
- Keep out of the reach of children. Do not allow children to use the product alone.
- Avoid contact with food and drink.
- Not suitable for children - choking hazard due to small parts.
- If handled incorrectly, the ink can be harmful to health and cause allergic reactions.
- The colour and chemical composition of the ink can be hazardous to the environment.
- Ensure safe disposal of empty ink cartridges in accordance with local regulations to avoid environmental damage.
- Dispose of packaging and contents safely.
- Wash your hands thoroughly when changing the cartridge to avoid colour transfer.
- Do not store the ink cartridge open or unsecured to prevent ink from leaking.
- Do not inhale. Ink may contain harmful substances.
- Do not open or damage the cartridges to avoid leaks and contact with the ink.
