Safety Instructions:

- Not suitable for children under 3 years of age as small parts can be swallowed.
- Keep the product out of the reach of children to avoid the risk of choking on small parts.
- Keep the product away from moisture and direct sunlight to prevent material damage.
- Avoid contact with water and moisture to ensure the stability of the box.
- Only use the folder for its intended purpose of document storage in order to avoid damage and impairment of its function.
- Do not overload the folder to prevent tearing of the material and damage to the lever mechanism.
- Keep the folder away from fire and extreme temperatures to avoid material damage.
- Make sure that the folder is placed on a stable surface to prevent it from falling over.
- Check the stability regularly to prevent it from falling over.
- The use of improper filling materials can impair the lever mechanism.
- Please ensure correct handling to avoid injury from sharp edges.
- The grip hole is not suitable for carrying heavy loads.
- Dispose of the folder in an environmentally friendly manner in accordance with FSC® guidelines.
- Avoid structured or sharp objects in the folder, as this can lead to damage.
