Safety Instructions:

- Only use the ink cartridge with the recommended Brother printer models or in printers designed for this purpose, as incorrect use can lead to printing problems.
- Store and keep the ink cartridge out of the reach of children to prevent accidental insertion into the mouth.
- Ensure that the ink cartridge is installed correctly to avoid possible leaks or malfunctions.
- Take care when handling the ink as it can cause stains. Wash your hands thoroughly after use.
- Dispose of the empty ink cartridge in accordance with the relevant local regulations for the disposal of electronics.
- Do not get in eyes or on skin. In case of contact, rinse thoroughly with water.
- Do not throw the ink cartridge into a fire as it could explode.
- If there are signs of leaks or damage, do not use and contact the manufacturer.
- If necessary, consult the operating instructions for the printer before use.
