Please note the technical data of the products!

Article Number: 301445

Safety Instructions:

- Make sure that the batteries cannot get into the hands of children to avoid the risk of choking if swallowed.
- Store the batteries in a cool, dry place to prevent overheating and leakage.
- Dispose of discharged batteries in accordance with local regulations to avoid environmental damage.
- Only use the batteries in devices intended for this purpose and avoid using them together with other types of batteries.
- Do not attempt to open, dismantle or damage the batteries as this may result in a chemical reaction hazard.
