Article Numbers: 500466, 500465, 500464, 500463

Safety Instructions:

- Keep toner and toner cartridges out of the reach of children to avoid choking hazards and health risks.
- Avoid contact of toner with eyes, skin and respiratory tract; in case of contact, rinse thoroughly with water.
- Do not open or puncture to prevent toner powder from escaping.
- Dispose of the product in accordance with local regulations for hazardous and electronic waste.
- Read and follow the operating instructions before using the product to avoid overheating and other hazards.
- Toner can cause health problems if inhaled or swallowed.
- Not suitable for children under 3 years of age as small parts may be present.
