Safety Instructions:

- Do not bring into contact with food, as inks may be based on chemical substances.
- Keep away from children to avoid the risk of choking on small parts.
- Safety information and instructions must be provided in an understandable language.
- Packaging and instructions for use must indicate safe use.
- Do not heat or disassemble ink cartridges to avoid leaks or chemical reactions.
- Disposal in accordance with local regulations for electrical and electronic waste.
- Use only in accordance with the manufacturer's instructions.
- Before use, ensure that the cartridge is properly installed to prevent damage to the pressurised device.
- In the event of contact with ink, immediately rinse the affected areas thoroughly with water.
- Do not bring the product into contact with eyes or mouth. In case of contact with eyes, rinse thoroughly with water and seek medical advice.
- Keep out of the reach of children under the age of three as small parts can be swallowed.
