Safety Instructions:

- Attach securely to avoid injury from falling. Ensure that the wall mountings are securely attached.
- Do not use near water. Avoid contact with water and substances containing water to prevent electric shocks and damage.
- Only use the recommended and suitable dry whiteboard markers to avoid damaging the surface.
Caution: Use only with dry-wipe whiteboard markers.
- Installation should be carried out in accordance with the enclosed instructions in order to avoid safety risks and damage to property. Only the intended materials are to be used for installation.
- Avoid using aggressive cleaning agents and sharp objects on the surface to prevent scratches and damage to the coating.
- Keep the surface clean regularly and avoid damp cloths or abrasive cleaning agents to ensure the functionality of the magnets.
- Not suitable for children under 3 years of age due to small parts that could pose a choking hazard.
- Only use the product for its intended purpose and keep it away from children to avoid the risk of injury from sharp edges or when setting it up.
- When using whiteboard markers, ensure ventilation to avoid vapours.
- Check the wall mounting regularly to avoid the risk of falling objects.
- When mounting, observe the maximum load-bearing capacity of the fasteners used.
- To minimise the risk of injury, do not use the product in damp environments.
