Safety Instructions:

- Ensure that assembly does not pose a risk of injury; follow the instructions for self-assembly to avoid possible injury.
- Avoidance of fall hazards thanks to non-slip protective caps and guaranteed floor protection.
- Regularly check the stability of the chair/frame and the fastenings to avoid hazards.
- Ensure correct use of the product to avoid material fatigue.
- Keep product away from children to avoid injury from improper use; be especially careful with small parts that may pose a choking hazard.
- Do not stand or jump on the chair.
- Avoid the risk of slipping due to insufficient stability on slippery surfaces.
- Be aware of the risk of injury from sharp edges or poorly processed materials.
- Ensure that the chair is stable and cannot tip over.
- Instructions and safety information should be provided in easily understandable language.
