Safety Instructions:

- Ensure that the installation instructions are clear and understandable and are provided in a language that is easy to understand.
- Only use the recommended mounting materials and ensure that the installation is carried out properly, on stable walls and in a stable location to prevent falling over and injury.
- Keep children away from the product as small parts may be present and pose a choking hazard. The product is not suitable for use by children without supervision.
- The polystyrene product must be kept away from sharp objects, naked flames and high temperatures to prevent damage.
- Avoid use in areas with high humidity to prevent damage and avoid placing heavy objects on the product to prevent it from tipping over.
- Mounting only on the customer's wall, with suitable material for the respective wall condition to ensure secure mounting.
- Avoid direct sunlight to prevent discolouration of the material.
