Safety Instructions:

- Ensure that monitors are securely and stably attached to the monitor arm.
- Check that the maximum weight and dimension limits of the monitors are not exceeded.
- After installation, check the monitor arm regularly for stability and functionality.
- Ensure that the monitor arm is mounted correctly to prevent it from slipping or tipping over.
- Avoid moving the monitors beyond the recommended tilt and rotation angles.
- Fasten the table clamps securely to prevent them from slipping.
- Install the product in accordance with the delivery requirements to avoid injury.
