Safety Instructions:

- Please note the maximum safety weight of 1.5 tonnes.
- Only use suitable lifting equipment and lifting techniques for transporting the big bag to avoid injury.
- Make sure that the big bag is filled correctly and stably and is standing on firm and level ground to prevent it from falling over or slipping.
- Avoid overloading the big bag, as this increases the risk of damage or accidents.
- During storage, ensure that the Big Bag is not exposed to direct sunlight or extreme weather conditions.
- Keep children away from using and storing the Big Bag, as it is not intended as a toy.
- Regularly check the integrity of the big bag for cracks or other damage.
- Only use the Big Bag for the intended materials.
- Beware of sharp edges or heavy objects that could damage the bag.
- Dispose of the big bag in accordance with local regulations for plastic waste.
