Safety Instructions:

- Ink may cause irritation on contact with skin and eyes. In case of contact, rinse thoroughly with water.
- Keep cartridges out of the reach of children; risk of suffocation from small parts.
- Dispose of empty cartridges in accordance with local waste disposal regulations.
- Do not store the cartridge in direct sunlight or at extreme temperatures.
- Store in a dark and cool place, avoid direct sunlight.
- Do not use cartridges in excess of the recommended maximum page yield.
- Not suitable for contact with food.
- Include safety information and instructions in plain language.
- Remove the packaging before handling the cartridge.
- Ensure that the cartridge is correctly inserted in the printer.
- Use only with compatible Brother printers to avoid damage.
- Improper handling poses a risk to health due to ink exposure or overheating of the printer.
- Do not use damaged packaging to ensure safety and product integrity.
- Risk of leakage if the cartridge is used incorrectly.
