Article Numbers: 174895, 174893, 174892, 174891, 174890

Safety Instructions:

- The product must be kept out of the reach of children, as there is a choking hazard due to small parts that can be swallowed.
- Only print with compatible printers to avoid damage or malfunctions.
- Do not fill above the maximum level and install the cartridge according to the manufacturer's instructions to avoid leaks or damage to the printer.
- The ink should not come into contact with skin or eyes. In the event of contact, rinse thoroughly with water and seek medical advice if necessary.
- The cartridges must be protected from direct sunlight and must not be stored in extreme temperatures.
- Dispose of empty cartridges in accordance with local regulations for electronic waste and ink cartridges.
- Not suitable for human consumption.
- Enclose safety information in accordance with the relevant European standards.
- Do not open or disassemble to ensure the safety and functionality of the cartridge.
- Protect from direct sunlight and do not damage to prevent leakage.
