Safety Instructions:

- Not suitable for children under 3 years of age as it may contain small parts that are a choking hazard.
- Do not inhale or swallow products.
- Do not use near naked flames.
- Protect from direct sunlight, as this can impair the colour quality and increase the service life of the product.
- Always close tightly after use to prevent leakage or drying out.
- Not suitable for consumption; keep away from small children to avoid the risk of ingestion.
- Not suitable for contact with food.
- Keep away from heat-resistant surfaces, as the liquid may cause unexpected reactions at high temperatures.
- Use is only recommended on smooth, non-porous surfaces.
- The ink may leave stains; test on an inconspicuous area before use.
- Avoid contact with the eyes. In case of contact, rinse immediately with plenty of water and seek medical advice.
- The liquid has a low odour, but should not be inhaled or put in the mouth.
