Safety Instructions:

- The product is designed for use with mobile devices up to 17 inches. Improper use can lead to falls and thus to injury or damage. Therefore, only use the product in accordance with the instructions.
- Ensure that the anti-slip feet are positioned correctly to prevent the stand from slipping and causing accidents.
- The stand must be set up on a stable, level surface to prevent it from tipping over and causing injury.
- The stand should be checked regularly for damage. If the product is defective, it should no longer be used in order to avoid danger.
- Remove all packaging materials before using the product to avoid the risk of suffocation.
