Safety Instructions:

- Product liability: The product should not have any sharp edges in order to avoid injuries.
- Ergonomic use: Make sure that the laptop stand is used on a stable surface to prevent it from tipping over or slipping.
- Take care with height-adjustable functions: Improper handling can cause injuries due to pinching.
- Anti-slip feet: Check the anti-slip feet regularly to ensure that they are working effectively.
- Broken parts: If there is visible damage, you must no longer use the stand.
