Safety Instructions:

- The product is not suitable for children as the stable construction makes it unlikely to tip over.
- Ensure that the product is used on a flat surface to minimise the risk of tipping over.
- Follow the manufacturer's instructions for installation and care to ensure safety and durability.
- Do not exceed the maximum stacking height of 12 chairs to avoid the risk of falling.
- When using on slippery floors, use chair glides to minimise the risk of slipping.
- Check the seat height and dimensions before use to prevent possible discomfort.
- Do not use chairs for climbing or as ladders to avoid the risk of injury.
- Regularly inspect the chair frame for stability and safe condition.
