Safety Instructions:

- Take care to keep the lamp away from moisture and do not use it near water sources or in a damp environment to avoid the risk of electric shock.
- Only use the lamp with the mains adapter supplied to avoid overheating and the risk of fire.
- Keep the lamp and the light source away from flammable materials and do not cover the lamp to avoid overheating and the risk of fire.
- Ensure that all electrical connections are secure to prevent short circuits.
- Ensure that the lamp is mounted correctly and used in a stable condition to prevent it from tipping over.
- Keep children away from the lamp as it has potentially hot surfaces to prevent injury or accidents.
- Check the lamp regularly for visible damage and stop using it if it is damaged.
