Safety Instructions:

- Please note that the device should not be used near water or in damp environments in order to avoid electric shocks.
- Keep the appliance away from children to avoid the risk of suffocation or injury from small parts and improper use.
- Only use the recommended power supply adapters and cables to avoid the risk of fire and electric shock.
- Make sure that no foreign objects get into the document feeder to avoid malfunctions or damage.
- Read the safety instructions and operating instructions carefully to minimise the risk of operating errors.
