Safety Instructions:

- Ensure that the monitor stand is stable to avoid the risk of it tipping over.
- Do not exceed the maximum load of 50 kg.
- When adjusting the height, ensure that the user's feet are not injured.
- Always lock the castors during use to prevent them from rolling away unintentionally.
- Use the integrated cable management carefully to avoid damage and tripping hazards.
- When installing the VESA mount, follow the instructions carefully to ensure that the display is securely attached.
