E-Mail: de.shop@avery.com

Please note the technical data of the products!

Article Number: 500512

Safety Instructions:

- Not suitable for use in food packaging.
- The labels may lose some of their adhesive strength in hot or humid environments.
- Ensure that labels are not used within the reach of children as they can leave a potentially sticky residue when removed.
- Keep the packaging and product information ready for future recall notifications.
