Please note the technical data of the products!

Article Number: 409985

Safety Instructions:

- To avoid the risk of electric shock, do not use the power strip near water or in damp environments.
- Ensure that the maximum power consumption of 3500 W is not exceeded.
- Caution when using USB charging sockets: Only use compatible devices to avoid overheating or damage.
- Always secure the energy bar properly in a stable place to prevent it from falling or being damaged.
- The product is not intended for use by children. Keep it out of the reach of children.
- Regularly check the mains cable and sockets for damage before using the power strip.
