Article Number: 168394

Safety Instructions:

- Take care when using with children: The document shredder contains small parts that may pose a choking hazard.
- Do not use near water: The electrical equipment of the appliance harbours the risk of electric shock if it comes into contact with water.
- Quiet operation, but pay attention to the noise level: The appliance has a noise level of 65 dBA, which could be disturbing for sensitive people.
- Safe handling of the clippings container: Take care not to overfill the collection container to avoid overflowing and possible injury.
- Avoid excessive load: The document shredder is designed to process 1 to 10 sheets. Excessive load can lead to a mechanical defect.
