Please note the technical data of the products!

Article Number: 178210

Safety Instructions:

- Attach the two-part table clamp correctly for secure mounting on the table.
- When using heavy monitors, ensure that the load capacity of the monitor arm is not exceeded (max. 8 kg per arm).
- Remove sharp edges and tools from the work area to avoid injury during installation.
- Avoid overloading the swivelling joints of the monitor arm to prevent damage.
- Regularly check the screw connections for tightness to prevent the monitor from slipping.
