Safety Instructions:

- The safe must be properly anchored to ensure safety and stability. Anchoring to the floor or wall is recommended to prevent toppling.
- The sums insured for commercial and private use must be observed. Check insurance cover and clarify with the insurer.
- The product is only suitable for the secure storage of keys and other documents. Improper use can lead to damage or security risks.
- Pregnant women and small children should be kept away during use to avoid the risk of injury.
- To ensure stability, do not place heavy objects on the top of the safe.
- Only allow access to keys for authorised persons.
- In the event of fire, the safe cannot offer fireproof properties.
