Safety Instructions:

- Clarify insurance cover and necessary anchoring with the insurer.
- The product must be anchored if it weighs less than 1000 kg.
- Observe the safe use of the double-bit high-security lock.
- Use the anchoring materials included in the scope of delivery.
- Use hooks in a safe and organised manner to avoid loss.
- Due to its heavy weight (258 kg), the key safe must be anchored.
- Make sure that the key safe is not accessible to children.
