Safety Instructions:

- There is a risk of injury due to improper use of the stapler.
- The smallest parts could pose a choking hazard for children. Not suitable for children under 3 years of age.
- Only use the stapler with the recommended staple sizes 24/6 or 26/6.
- Ensure that the appliance is regularly checked for staple jams.
- The product should be kept away from children; it is not intended as a toy. It should be used under adult supervision when children are around.
- Keep the stapler dry and do not use it in damp environments.
- Follow the operating instructions to ensure safe and effective use.
- Ensure that there are no unsuitable objects near the stapling device and that there are no fingers or other body parts in the firing range.
