Article Number: 172548

Safety Instructions:

- Ensure that the monitor arm is securely mounted to the tabletop to prevent it from falling over.
- Check that the weight of the monitor does not exceed the maximum permissible load of 9 kg.
- Observe the necessary safety when using the tilt and swivel functions to avoid overloading the arm.
- Use a cable management system to avoid tripping hazards caused by loose cables.
- Use the VESA mounting instructions to mount the monitor more securely.
