Safety Instructions:

- Consult your insurer about the necessary insurance cover for documents and valuables.
- The safe must be anchored to prevent it from tipping over. Note: Observe the weight specification of 168 kg.
- Check the lock regularly for functionality to ensure safe use.
- Observe the operating instructions to avoid improper operation.
- Storage of valuables only subject to the maximum sum insured.
- Maintenance and regular inspection of the safe recommended.
- Opening the safe with a high-security lock requires special knowledge.
- Keep the safe out of the reach of children.
