Safety Instructions:

- Make sure that the laptop stand is placed on a stable, level surface to prevent it from tipping over.
- Only use the laptop stand for laptops with a size of 13" to 17".
- Ensure that the laptop is fully positioned on the stand to prevent overheating and damage to the device.
- Keep the laptop stand away from materials that are sensitive to heat or moisture.
- Using a laptop stand can improve posture, but regular breaks should be taken to avoid tension.
- Do not touch the stand with wet hands.
- Check the stability and safety of the product before using it for the first time.
- Adjust the height of the stand correctly before use to avoid neck strain and follow instructions for correct height adjustment to avoid injury.
- Make sure that the laptop sits securely on the stand to prevent it from falling.
- Do not use the product near heat sources or in a humid environment.
- Keep the product away from small children to minimise the risk of injury. Not suitable for children under 3 years of age due to choking hazard from small parts.
- Ensure that the laptop stand is not overloaded to prevent it from tipping over.
