

# Product Safety Information

## Recyclable waste collector, volume 87 l, with inner bin, galvanized steel, W 340 x D 380 x H 900 mm, various colors

**Manufacturer/Responsible Person:** SZ Metall GmbH & Co. KG, Schillenbergweg 12, 59846 Sundern (Sauerland), Deutschland  
**E-Mail:** info@szmetall.de

Please note the technical data of the products!

**Article Numbers:** 133337, 133336, 133335, 133334, 133333, 133332, 133331, 133330

### Safety Instructions:

- Avoid contact with sharp edges made of galvanised steel to prevent injuries.
- Make sure that the recyclables collector is stable and level to prevent it from tipping over.
- Do not overload the recyclables collector to prevent it from falling over or being crushed.
- Only use the recyclable waste collector for the intended dry waste.
- Do not use for the storage of hot waste or near sources of ignition to avoid the risk of fire.
- Keep and use out of the reach of children to avoid improper use and hazards.
- Carry out regular visual inspections for damage, rust and wear and act accordingly.
- Not suitable for children under 3 years of age as there is a choking hazard due to small parts.
- Only for safe outdoor use, protect from environmental influences. For indoor use, use in dry environments to avoid damage.
- Empty the inner bucket regularly to prevent odours from forming.
