Safety Instructions:

- Set up securely and store heavy objects in the bottom shelf to prevent tipping and stability problems.
- Avoid placing the device near heat sources to prevent damage.
- Do not use sharp objects or avoid rough surfaces to prevent skin injuries.
- Assemble the locker according to the instructions to ensure stability.
- Do not block the ventilation openings to prevent mould growth and ensure air circulation.
- Keep the locker and the surrounding area dry to prevent rust from forming.
- Use suitable carrying aids for transport to avoid injuries.
- Do not overload the compartments to ensure the stability of the locker.
- Use mild cleaners to prevent damage to the protective coating.
- Check the locker regularly for damage to ensure safety.
- Follow the instructions for safe use and maintenance.
