Safety Instructions:

- Ensure that proper stability is guaranteed when using the ISO Basic stacking chair, especially if several chairs are stacked.
- The chairs are designed for a maximum stacking height of up to 12 units; do not exceed this number.
- Avoid climbing on the chairs or using them in a way that could jeopardise their stability.
- If the chair is used improperly or damaged, there is a risk of it falling over or being injured.
- Please check the cover regularly for wear and damage to avoid skin irritation.
- The 3-year guarantee only applies if the product is used correctly.
