Article Numbers: 464129, 464124, 464123, 464122, 464121, 464120

Safety Instructions:

- Not suitable for contact with food.
- Do not use near naked flames or heat sources.
- Keep out of the reach of children to avoid the risk of swallowing small parts.
- In the case of chemical substances, ensure that they are compatible with the box.
- Avoid overheating, do not use above -20 to 75°C.
- Avoid contact with strong acids and solvents to prevent damage.
- Keep the box away from direct sunlight to prevent the colour from fading.
- Make sure that the box is not overloaded to ensure its stability.
- Inspect the box regularly for cracks or damage that could compromise its integrity.
